Privacy Policy

Your privacy is very important to us. Accordingly, we have developed the following Policy in order for members to understand how we collect, use, communicate and disclose personal information.

At all times SEIU Local 517M will identify the purposes for which information is being collected. The Union will collect and use personal information solely with the objective of fulfilling those purposes specified and for other compatible purposes. Data will not be used for any other purposes unless we obtain the prior consent of the individual concerned or as required by law. The Union will only retain personal information as long as necessary for the fulfillment of those purposes. Furthermore, the Union will only collect personal information by lawful and fair means and, where appropriate, with the knowledge or consent of the individual concerned. Personal data should be relevant to the purposes for which it is to be used, and, to the extent necessary for those purposes, should be accurate, complete, and up-to-date.

SEIU Local 517M will protect personal information by reasonable security safeguards against loss or theft, as well as unauthorized access, disclosure, copying, use or modification. The Union will make readily available to members information about our policies and practices relating to the management of personal information. The Union is committed to conducting its business in accordance with these principles in order to ensure that the confidentiality of our members' personal information is protected and maintained.
